

SUICIDE PREVENTION IN UNCERTAIN TIMES

HELP US MAKE NEWTON & ROCKDALE COUNTIES COMMUNITIES OF HOPE WHERE ZERO LIVES ARE LOST TO SUICIDE

KNOW THE WARNING SIGNS

TALK

Killing themselves
Feeling hopeless
Being a burden
Feeling trapped

BEHAVIOR

Isolating themselves
Visiting/calling to say good-bye
Giving away prized possessions
Aggression
Increased drug/alcohol use

Source: American Federation of Suicide Prevention: afsp.org

HAVE AN HONEST CONVERSATION

- Talk to them in private
- Listen to their story without judgement
- Tell them that you care about them
- Ask directly if they are thinking about killing themselves
- Encourage them to seek treatment or call their doctor or therapist
- Avoid debating the value of life, minimizing problems, giving advice, or guilt

SAFEGUARD YOUR HOME

FIREARMS

- Unload
- Use a gunlock or gun safe
- Store offsite
- Request temporary storage from local police or gun ranges

MEDICATIONS

- Lock
- Keep combination and keys secret
- Limit quantity on hand
- FDA has guidelines to safely dispose of unused medications

STRESS MANAGEMENT

LEARN SELF-CARE & INCREASE PROTECTIVE FACTORS

- Reduce your stress with exercise & deep breathing
- Learn and repeat positive affirmations
- Focus on things you can control
- Reach out to a trusted adult or positive friend
- Engage with a local Support Group to feel less alone
